# Marching band travels east, takes top honors in New York contest

By Katie Forsyth and Ashley Buhr

Last June, as most WHS students were enjoying the first week of summer, the freshman, varsity, concert, symphonic and marching bands were hard at it, traveling to upstate New York to compete in a band competition and visiting many New York City sites.

The band competed in a parade marching and concert band competition in Sherburne, N.Y., where the marching band receiving first place in parade and the symphonic band received first in concert. The concert, varsity and freshman bands also competed in the concert competition, receiving gold ratings.

The band traveled to New York on four buses, driving 36 hours each way.

Sophomore Rachel Nelson said the bus ride was the best part of the trip, for her.

"I really liked the bus ride, it was a lot of fun to hang out with my friends," Nelson said.

For others, visiting sites including the Empire State Building, the Statue of Liberty, Ground Zero and Ellis Island was the highlight. The group also attended the Broadway musical "Movin' Out."

Senior drum major Courtney Heitkamp said she enjoyed the Broadway show and getting to spend time with her friends.

"The band trip was a really fun experience and it was fun that I got to share it with my friends," Heitkamp said.

The group also spent time shopping in China Town and on Fifth Avenue. The band had a local tour guide on each bus, giving them inside knowledge on many

New York City sites.

Nelson said she enjoyed the visit to Central Park the most.

"I really enjoyed Central Park, seeing all the people and the beautiful lake," Nelson said.

The band takes a major trip every four years. Director Jennifer Hawkinson said it will be difficult to top the trip to New York.

"It was a great trip, and a great group to travel with," Hawkinson said.

## Residents return to shattered homes as death toll rises

**FORKED ISLAND, La.**—From a few neighborhoods in New Orleans to the bayous of southwest Louisiana and the oil refinery cities of east Texas, dislocated Americans returned Monday to their homes—and, in many cases, to the hurricane-blasted shells of their lives.

"Half my house is gone," a visibly shaken David Boudreau said as he drove away from the town of Forked Island in low-lying Vermilion Parish. Hurricane Rita submerged it under a 12-foot flood over the weekend, though the water had receded to some extent by Monday.

In Washington, President Bush said the nation will have to cope with gasoline and other energy shortages for some time. He asked Americans to carpool and curtail nonessential travel, and he signaled that the government again would tap into the Strategic Petroleum Reserve to bolster oil supplies.

"We can all pitch in by being better conservers of energy," Bush said after a briefing at the Energy Department. "The storms have shown how fragile the balance is between supply and demand in America."

## Warrior softball team takes two from Arrows

Submitted by Dan Roskup

The varsity softball team won two games in Watertown Monday night.

The Warriors won game one 6-0 as junior Melissa Johnson picked up the win. She struck out 14 batters in the seven innings, while allowing only one base hit and four bases on balls.

Johnson also led the offense with three base hits. Freshman Shelby Thompson and junior Megan Smedsrud chipped in with two hits each. Juniors Kylie Vandebakke, Alyssa Powell and Stacey Schriever along with fresh-

man Melissa Blackburn also had base hits.

Game two saw the Warriors taking an abbreviated 13-1 win in a four inning game which was shortened due to the mercy rule.

Blackburn pitched the complete game, striking out eight Arrow batters, while allowing two base hits and one earned run.

The offense was, once again, led by Johnson's three hits. Juniors Danyel McFarlane and Linda Rhead each had two hits. Senior Brittany Murray, Schriever and Thompson also contributed base hits.
