The purpose of the Athletic Hall of Fame is to recognize former coaches, administrators, athletes and any contributors for their achievements and contributions to athletics at WHS.

Each year the Hall of Fame committee gathers nominations from alumni, media and other sources. The committee then determines how many athletes will be inducted during that particular year based on the nominations and categories.

Coach Brian Hermanson, a member of the Hall of Fame selection committee, said induction is an honor.

"It's a great way to honor past athletes, coaches and contributors that have made WHS athletics so great over the years," Hermanson said.

Highsteppers, cheerleaders compete Saturday

By **Duncan DeVries**

Warrior Highsteppers and cheerleaders will be in competition for the first time this season Saturday as they travel to the South Dakota Cheer Coaches Association Cheer and Dance Championships at the Swiftel Center in Brookings.

An individual competition will start at 7:20 a.m. in the Main Arena, with the team competition to follow.

Freshman Alissa Thomsen said the cheerleading competition squad has been working

very hard at their practices and getting their stunts and routines together.

"I hope that our work will pay off and that we go home happy with the trophy," Thomsen said.

Admission for the day, which will feature a wide-variety of high school and club teams, will be \$6 for adults and \$4 for school age students 9 and older. Kids 8 and under will be admitted for free.

Junior Lesli Miller, a member of the Highsteppers, said

she is really looking forward to going this weekend and thinks the team will do great.

"We have been practicing very hard and our routines have been coming along nicely," Miller said.

The Highsteppers will compete with three team routines, including funk, pom and jazz.

The high school competition will wrap-up around noon. Club competition will dominate the afternoon, with the entire event ending around 5 p.m.

Weekly Sports Trivia

Cheer on the Warrior volleyball team Tuesday

As we slowly approach the end of our 2006 fall activities season, we can look back to a successful September and October for all sports. However, we should not look ahead too far, because one very important sport is still in

progress and they are asking for all the support they can get.

The Warrior volleyball team is coming off one of its most

impressive seasons in a long time and are fresh out of a dominating victory last night in the first round of the district playoffs against the Yankton gazelles. If the Warriors win their next match on Tuesday against their rival, the Lincoln Patriots, they will be guaranteed a spot in this year's state tournament being held in Watertown in two weeks.

Meanwhile, there is still one more game that needs to be won before we can pack up for state, and the team and its loyal fans are asking for all the fan support they can get. Some of you are probably wondering why anyone would waste time going to a boring volleyball game. Well, I'll tell you. One—they are not boring, which is ridiculous to even think. Two—they are full of a lot of high-energy, fast paced action that excites the crowd and really gets people into it. And three—by going you would be helping support one of the most amazing sports there is, and you will probably have a really good time doing it.

So next Tuesday if you find yourself sitting at home with nothing to do, stop by the gymnasium around 7:30 p.m. and help cheer on our beloved volleyball team.
