Warriors open season at old SIC indoor meet

By Grant Wilson

The boys and girls track teams went into action Tuesday for their first meet of the year at the old Sioux Interstate Conference indoor meet at the DakotaDome in Vermillion.

Individual Warriors competed against Sioux City, Iowa, West in the meet. No team points were kept.

Coming in first place for the girls in varsity events were sophomore Kelsey Maloney in the 1600 meter run, junior Kayla Kammerer in the 400, sophomore Amy Nachtigal in the 800 and senior Angie Carlberg in the shot put.

First-place finishers for the boys included junior Mike Elliot in the 55, freshman Kyle Sexe in the high jump and sophomore Jesse Cantalope in the long jump. In relay action, the Warriors won the 4x100 and the 4x800 events.

Boys coach Mike Peiper said the meet was a good way to get going.

"It was a chance for kids to compete in their own individual events," he said. "It's just to get excited about track."

Students inducted into Warrior Club

By Jessica Wolles

During third period today in the common, many WHS students were honored by their teachers and inducted into the Warrior Club.

The Warrior Club is an organization that lets teachers pick one student every quarter that they want to nominate. The student is recognized for whatever reason each teacher chooses, including academic excellence or good character. The nominees also get enter-

tained by one of the school bands and gets to snack on cookies and pop. They also receive a t-shirt that represents that they are now members of the Warrior Club.

Junior Luke Sharpe said it is an honor to be in Warrior Club.

"I think that it is really cool to be recognized by my teacher," Sharpe said.

Marketing teacher Rhonda Gassman said she looks for certain qualities in the students

she nominates.

"I look for somebody who has a positive attitude and that don't ask why in class, just does it," Gassman said. "They must also try hard to do well in class."

Junior Garrett Wilson also thinks it is an honor to be in the club.

"It is great to be recognized for my hard work that I do," Wilson said. "I also like the fact that we got a free t-shirt and free pop."
